

Your favorite co-worker has a new name

Same app, new name

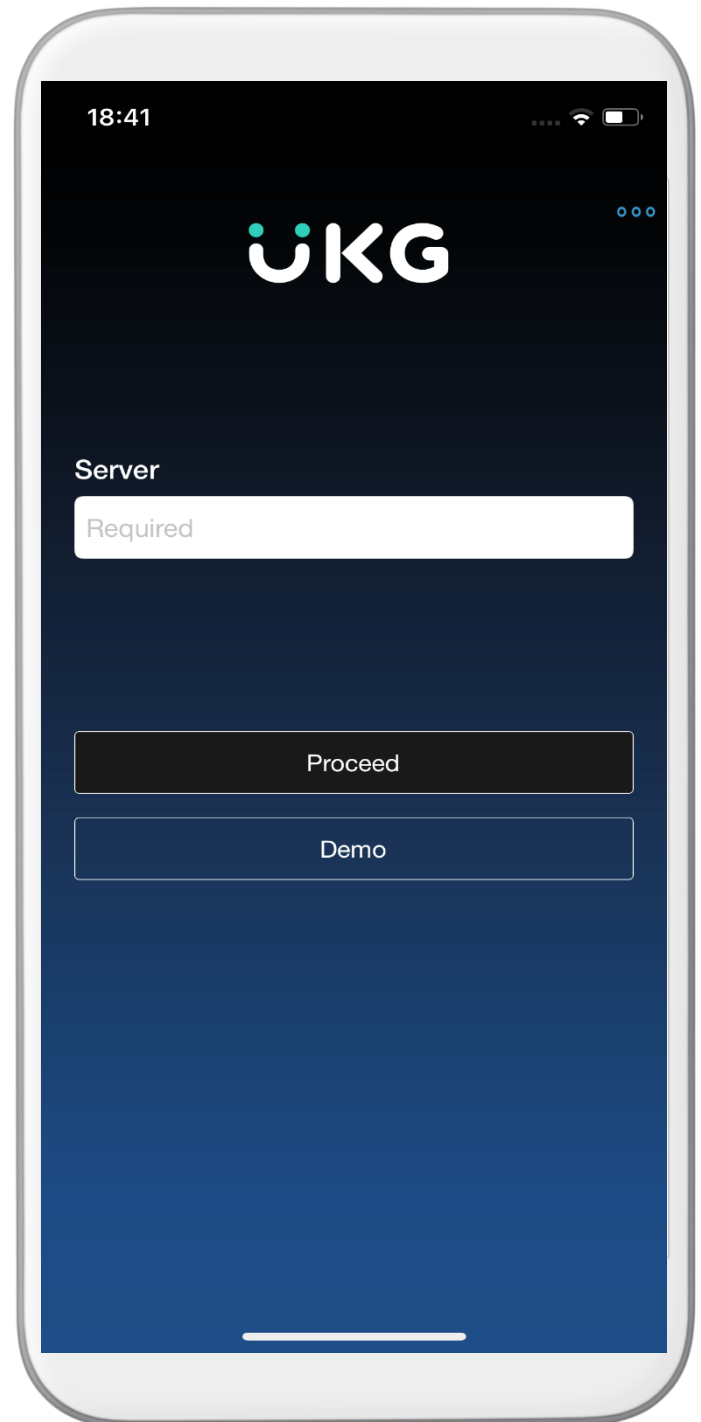

Jump right in with a familiar, consumer-grade interface — only now it's UKG.

Get ready

On January 21st, your mobile app gets a new name and logo.

What's next?

The update is just like any other app update — there's no action for you to take other than opening the app. It's that easy.

If prompted, enter the server name: <https://rockinghamco.kronos.net>
