

REQUEST FOR ENVIRONMENTAL ENGINEER QUALIFICATIONS  
FOR CDBG PROJECT  
ROCKINGHAM COUNTY, NEW HAMPSHIRE

Rockingham County, NH requests Environmental Engineer Qualifications from qualified firms for Community Development Block Grant projects for Environmental Review Record (ERR) documents. The documents to include a Phase I Environmental Assessment in accordance with ASTM E 1527-13, including a vapor encroachment survey, on each property and CDBG Environmental Statutory Checklist and Environmental Assessment Checklist (if applicable). All documents to include appropriate supporting documentation. There are 2 projects.

Project #1: The rehabilitation of 4 individual One Sky properties located within the County. (78 Dame Road, Newmarket; 40 Newfields Rd, Exeter; 311 Prescott Rd, Epping; 14 Woodridge Lane, Hampton, NH)

Project #2: Water System improvements at Rock Rimmon Cooperative, a manufactured housing park at 112 Long Pond Road, Danville, NH.

The projects are funded through a Community Development Block Grant from the Community Development Finance Authority under the provisions of, and subject to the requirements, of Title I of the Housing and Community Development Act of 1974, as amended.

This is an equal opportunity/affirmative action agency. All qualified firms will receive consideration without regard to race, color, religion, creed, age, sex, or national origin. Consultant selection will be qualifications based, including experience with CDBG project regulations.

Submit a qualification separately on each, or both, projects. Please submit electronic qualifications with project understanding, detailed scope of services and applicant experience by May 25, 2021 to Commissioners Office, [rfp@co.rockingham.nh.us](mailto:rfp@co.rockingham.nh.us) Additional Information: [www.rockinghamcountynh.org/rfp](http://www.rockinghamcountynh.org/rfp) or 603-679-5335.
